School Clubs (TBD)

We want you to be involved in as many opportunities and activities as possible. There are a variety of school clubs available for you to learn about, join, and connect with others. Student Weekly Planner

Fall Semester 2020

Ideas for Use:

- Record details of any homework assignments (include due dates)
- Cross off or highlight assignments after they are completed
- Write down upcoming quiz and test dates, or project/essay due dates
- Make lists of items you need to remember to bring on a particular day
- Note any questions you have for your teachers about assignments or course content
- Leave yourself reminders to speak with a teacher, counselor, or other staff member
- Keep track of deadlines for applications
- When you finish reading a book, write down the title on the day you completed it
- Write down your sports practice/game schedule, rehearsals, performances, or your club meeting information

We believe that you can be successful in all of your classes, if you...

- stay organized
- do your work
- ask questions when you need help

Our teachers, and our entire staff, are here to help you be successful. Although we will do everything we can to help you, we will not do the work for you – that is your job. Keep track of all work that needs to be done for each class, and when it is due. Getting your work done on time is key to your success.

It is extremely important that you stay organized, especially when learning through a distance-learning/online model. You need to keep a list of required tasks/assignments and schedule specific time around all of your other responsibilities, and make sure you are completing your school daily.
