### Ideas for Use:

- Record details of any homework assignments (include due dates)
- Cross off or highlight assignments after they are completed
- Write down upcoming quiz and test dates, or project/essay due dates
- Make lists of items you need to remember to bring on a particular day
- Note any questions you have for teachers about assignments or content
- Leave yourself reminders to speak with a teacher, counselor, or other staff member
- Keep track of deadlines for applications
- Write down your sports practice/game schedule, rehearsals, performances, or your club meeting information
- When you finish reading a book, write down the title and author on the day you completed it
- Look over your planner at the beginning of each week, so you know what is coming up

We believe that you will be successful in all your classes if you...

- stay organized
- do your work (and turn it in)
- ask questions when you need help

Our teachers, and our entire staff, are here to help you be successful.

Although we will help you as much as possible, we will not do the work for you – that is your responsibility.

Keep track of all work that needs to be done for each class, and when it is due - getting your work done on time is key to your success.
